Dear Dr. McAllister:

I am pleased to acknowledge and accept with thanks the checks from The Council for Tobacco Research - USA, Inc. in the amounts of $1,000 in support of the FASEB Summer Research Conference on "Cellular and Molecular Genetics," August 12 - 16, 1990; $1,500 in support of "Molecular Aspects of Metastasis," July 1 - 6, 1990; $500 in support of "Fc Receptors & Immunoglobulin-Binding Factors," July 1 - 6, 1990; and $1,000 in support of "Structure and Function of Cell Membranes," July 15 - 20, 1990. The Federation and the scientists who comprise it are appreciative of your interest in assisting us to improve scientific communication. The funds will be used by the chairperson of each conference, Dr. Inder Verma, Dr. George Martin, Dr. Ronald McElhaney, and Dr. Jay Unkeless, respectively, to defray the travel and registration expenses for some of the speakers.

We extend an invitation to the scientists of your organization who are interested in attending any of the FASEB Summer Research Conferences. In 1990 there will again be eighteen conferences held under our auspices - ten in Saxtons River, Vermont, and eight at our second site in Copper Mountain, Colorado.

I have also enclosed for your interest a copy of the FASEB Public Affairs Newsletter. It is published monthly by our Office of Public Affairs to keep Federation members and other readers abreast of the latest developments in Congress and in Executive Branch agencies that may affect biomedical and biological research.

Please express to the appropriate officials my thanks and appreciation for your generous support of this conference.

Sincerely,

Marilyn Marsh
